

# ARMENIA

EXCURSION 2019  
**August 25 – September 14**

CACSEE EXCURSIONS is designed to provide you with in-depth insight into a country or region in Central Asia and the Caucasus.

Our cross-disciplinary educational program covers topics such as physical and economic geography, history and culture, agriculture, biology, nature protection and resource management.

Participants will receive certificates at the end of the excursion. Students may also receive **ECTS-Credits**.

Our field trip addresses students, and young scholars of Biology, Geography, Environmental Sciences, Agriculture, Forestry, and of Eastern European Studies.

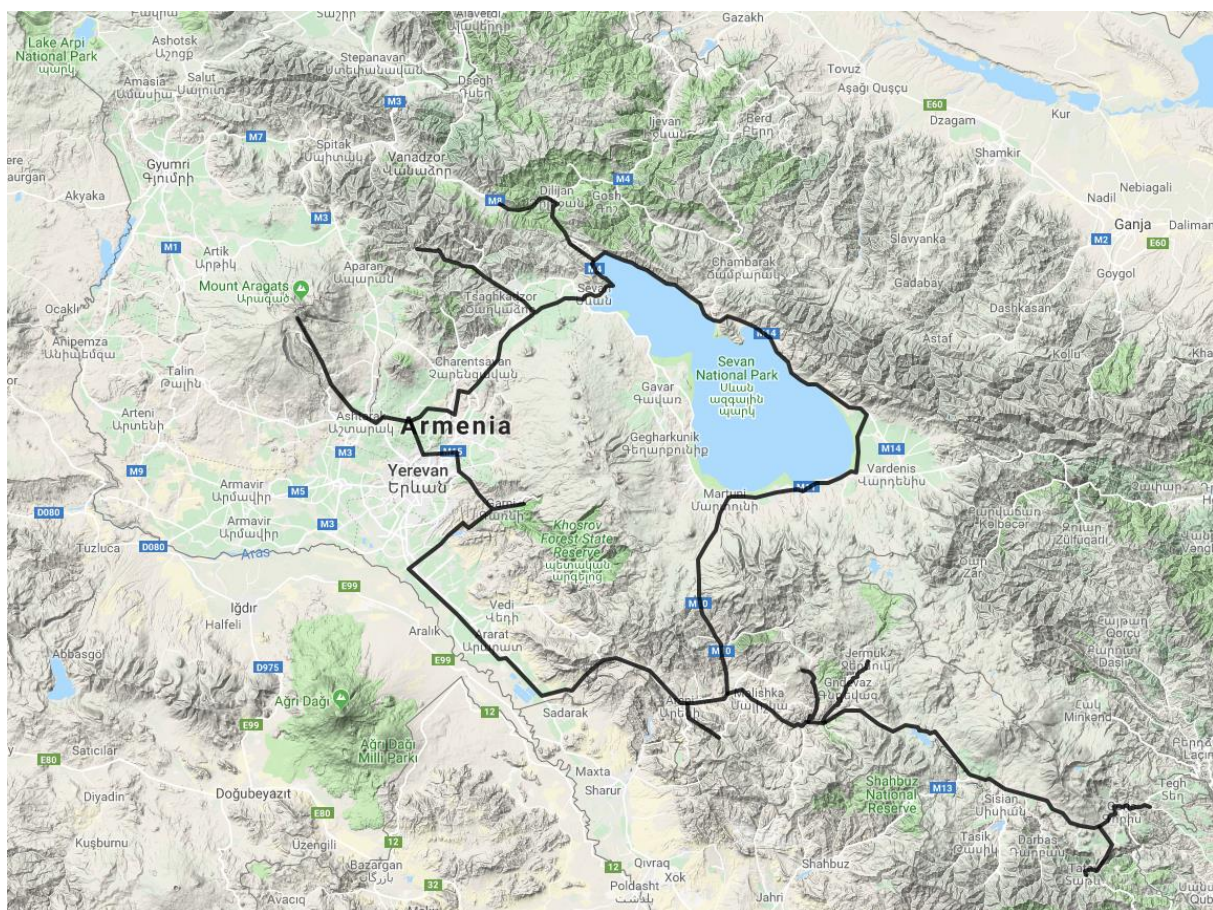

Environmentalists, Nature Lovers, Travelers and Adventurers of all ages are also most WELCOME!

## Route & Program

The excursion route and the draft of the program overview below are variable and may still change slightly. At this early stage of planning, we cannot guarantee that all excursion destination points will be reached, especially due to adverse circumstances (weather, road conditions, etc.).

There is the possibility to target other places according to the interest profile of the group. Please note that not all stops are listed in the program overview.

Our route in Armenia is designed in close cooperation with WWF Caucasus, Yerevan State University, the Institute of Geological Sciences, and local NGOs. It offers you a unique insight into the geography of Armenia, its natural landscapes, its cultural heritage and the region's present conditions in the framework of the global economy.

Day	Program	Campsite
1	Arrival at <b>Yerevan Airport</b> . Transfer to the campsite. Recreation & Adaptation.	Byurakan Ca. 1700 m.

21	Pack your bags and say Goodbye. Transfer to the airport.	Byurakan Ca. 1700 m.

## Organization & Logistics

### Accommodation

We usually camp at local farms and campsites. In some circumstances, it may be possible to rent tents and sleeping mats in Armenia. However, we strongly recommend bringing your own equipment.

### Transport

We offer cross-country busses or trucks for the transportation. They will be available during the whole duration of the excursion. This way we can stay flexible and will be able to offer different activities for smaller groups.

### Food

Local chefs and cooks will accompany the excursion. They will cook for us everyday. Of course, also **vegetarian or vegan**, if requested.

For day trips, picnics will be prepared. And in the evening we will gather around a campfire.

### Activities

The guided hikes in the mountains are not extreme tours and should be easily manageable for all participants under normal circumstances. In some areas, mountain hikes are somewhat more challenging due to their length and/or difference in altitude. This will be discussed in detail.

## Conditions of Participation

Participation costs apply for the specified duration and for a minimum participation of 20 persons. Due to changing costs for transportation and other services or in the case of a lower number of participants, the fee may increase by a maximum of 5%. The increase will be announced no later than one month prior to departure.

Standard price	€ <b>1160</b>
PhD Students, Teachers	€ <b>1060</b>
Students	€ <b>960</b>

**5% off, if you have already traveled with CACSEE!**

*Participation fee **covers** the following expenses:*

1. Full board (3 meals a day) provided by the field kitchen (except for lunch and diner costs in restaurants during city visits).
2. Kitchen staff and food supplies.
3. Transport costs and the team of drivers.
4. Scientific supervision, lecturers and interpreters.
5. Entry charges for protected areas.
6. Accommodation (camping fees).

*Participation fee does **not cover**:*

1. Flight tickets to the destination.
2. Visa costs (no longer required for EU citizens).
3. Foreign health insurance.
4. Rental fees for tents (we strongly recommend to bring along your own tent and equipment. If needed – a tent can be rented in Armenia).

## Booking
